NARRATIVE:

Jacob Wood has an extensive adult criminal history that began at the age of 20. His convictions include assault causing great bodily injury, multiple burglaries, possession of burglary tools and failing to report. He has served multiple incarcerations, the longest being a 4 year term for burglary. Wood was released from state prison to the supervision of the Los Angeles County Probation Department on April 27, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2014 after he absconded from post release community supervision (PRCS). Wood qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
